Clerk-Recorder and Registrar of Voters

## What are vote centers?

All active registered voters receive a ballot by mail per California state law. Some prefer to vote in-person at vote centers or drop-off their ballot in-person.

At vote centers, voters can:

- Register to vote or update their registration
- Drop-off their vote by mail ballot
- Get a replacement vote by mail ballot
- Use assistive devices to help read or hear the ballot

---

***Roughly 10% of Stanislaus County voters choose to vote in-person. Opening your doors to the Registrar of Voters Office means supporting civic engagement and providing access to the voters in your neighborhood!***

---
